SEAT

IBIZA

TECHNOLOGY TO ENJOY

Youthful spirit has always been the beating heart of the SEAT Ibiza. A car that fizzes with fun while laying down some serious performance. And now the SEAT Ibiza continues in the same groove. But how do you improve a classic?

PERFECTLY IN TUNE

The Ibiza is sharper and more dynamic than ever. Taut lines respect its sporty nature, and the front end has a definite glint of mischief in its headlights.

Inside it's just as sharp. Unmistakable quality and attention to detail enhance an already thrilling ride, as does cutting edge technology.

On the road the racy three-door SC, gutsy five-door hatch, and versatile ST estate are driven by a state-of-the-art range of engines, combining impressive environmental performance with sheer exhilaration.

With so much passion and innovation in the mix, whatever your rhythm, you'll find the SEAT Ibiza perfectly in tune.

Model shown: Ibiza 5dr SE with optional Cartago 16" alloy wheels and Lima Green metallic paint.

A CONTEMPORARY CROWD PLEASER

But always a classic

Isn’t it great when you get everything just right? For the Ibiza five door that means creating the perfect blend of versatility and desirability. Ingredients that are adhered to when creating this classic. Honing them into the perfect mix with optional bi-xenon headlights and front and rear LED lights*, distinctive design lines, bumpers, front grille, and a choice of alloy wheels and colours. This car represents innovation and high quality specs, but it’s the same fun, sporty, practical, versatile and trend setting SEAT Ibiza that you’ve known for over 30 Years.

Model shown: Ibiza 5dr SE with optional bi-xenon headlights, Cartago 16” alloy wheels and Lima Green metallic paint.
* Bi-xenon headlights standard on CUPRA, rear LED lights standard on FR and CUPRA.

IBIZA 5DR

MORE BEATS PER MINUTE

It's what SC really stands for

SC stands for Sport Coupé and the Ibiza SC is the three-door variant of the Ibiza. In other words, it stands for thrilling performance and eye-catching style. And the Ibiza SC certainly lives up to its name.

Broad shoulders, sharp lines and flared wheel arches are the perfect canvas for some striking colours and a choice of 15", 16" or 17" alloy wheels. And the compact three-door layout emphasises that dynamic styling. The honeycomb front grille, lowered front air intake, and sharper looking headlights give the Ibiza a signature style that's more 'Ibiza' than ever.

And the FR version ups the tempo even further, with its accentuated lines and extra details, like the large front fog lights with cornering function. The Ibiza SC is made to make your heart beat faster.

Model shown: Ibiza SC SE with optional bi-xenon headlights and Lima Green metallic paint.

NOW WITH ADDED IBIZA

More of what you love

Feeling spontaneous? The Ibiza ST is the estate variant of the Ibiza and is always ready. It's already up and running with Ibiza DNA, but has the extra capacity to take on board all the essentials that you need to make life interesting. Whether it's something for the weekend, a small hobby or a great adventure, the ST can always accommodate the things that come along and demand some extra attention.

But bigger still means beautiful. And with its sporty looks and stylish details, the FR demands some attention of its own. But don't be fooled, those sleek lines can still swallow all the extra stuff and steal the show at the same time.

Model shown: Ibiza ST SE with optional Monstant Red metallic paint.

IBIZA ST

LIVING LARGE

For those who live to live

You might know how to ingeniously squeeze more out of the day, but you don't have to worry about fitting all of its baggage into the capacious Ibiza. You'll find 284 litres of space in the boot of the SC coupe, 292 litres in the five-door model, and a rather generous 430 litres of it in the ST estate. All making short work of living a larger life. With clever storage spaces – including a sizeable glovebox with light - to turn it into the ultimate mobile personal organiser.
You can also pack in a few human beings quite comfortably too, each of them enjoying generous leg and headroom, so they can comfortably stretch out.

WELCOME TO A NEW ERA OF SMART DRIVING

Technology that links you to the world outside

Take a look at the future of driving. The new Ibiza I-TECH comes with online technology that connects you to a new driving experience. SEAT Portable System Live with SEAT CALL, one-year free Live Services* and Bluetooth®. Tethering for your smartphone, means you are never off line when you're on the road.

More fun technology comes in the shape of satellite navigation, micro SD card slots, trip computer integration and front fog lights with cornering function.

But it's not all about the technology. The I-TECH comes with stunning 16" titanium finish alloy wheels and a redesigned Ibiza interior with steering wheel and gearshift in leather and exclusive I-TECH upholstery. The I-TECH's new Bahama Blue exterior and I-TECH badge on the car's B pillars are a true statement of uncompromising style.

The Ibiza I-TECH signals a new era of smart driving, with full online connectivity that keeps you constantly in touch with the world outside your car.

IBIZA I-TECH

Model shown: Ibiza 5dr I-TECH with optional Bahama Blue metallic paint.

* Live Services subjected to special offer. Lifetime service available for purchase at Garmin Fresh shop. To find out more please contact your Dealer.

A PASSION FOR DRIVING

The SEAT Ibiza FR

If your passion is driving, you'll love everything about the Ibiza FR. It's designed to give you a truly remarkable driving experience - with great looks, advanced technology, luxurious comfort and plenty of power. And with several engine options to choose from, it's as versatile as it is fun.

The sleek design of the Ibiza FR includes eye-catching exterior accents, like twin bulb halogen headlights, LED rear taillights as standard, unique FR bumper design, twin exhaust pipes and stunning 16" 'Stratos' alloy wheels.

Inside the FR we've taken it up a gear, with optional alcantara upholstery and sporty leather trimmed steering wheel and gear knob. And with climate control available, it means that the feel is just as gorgeous as the look.

Model shown: Ibiza 5dr FR with optional bi-xenon headlights. Model in Emocion Red.

URBAN STYLE

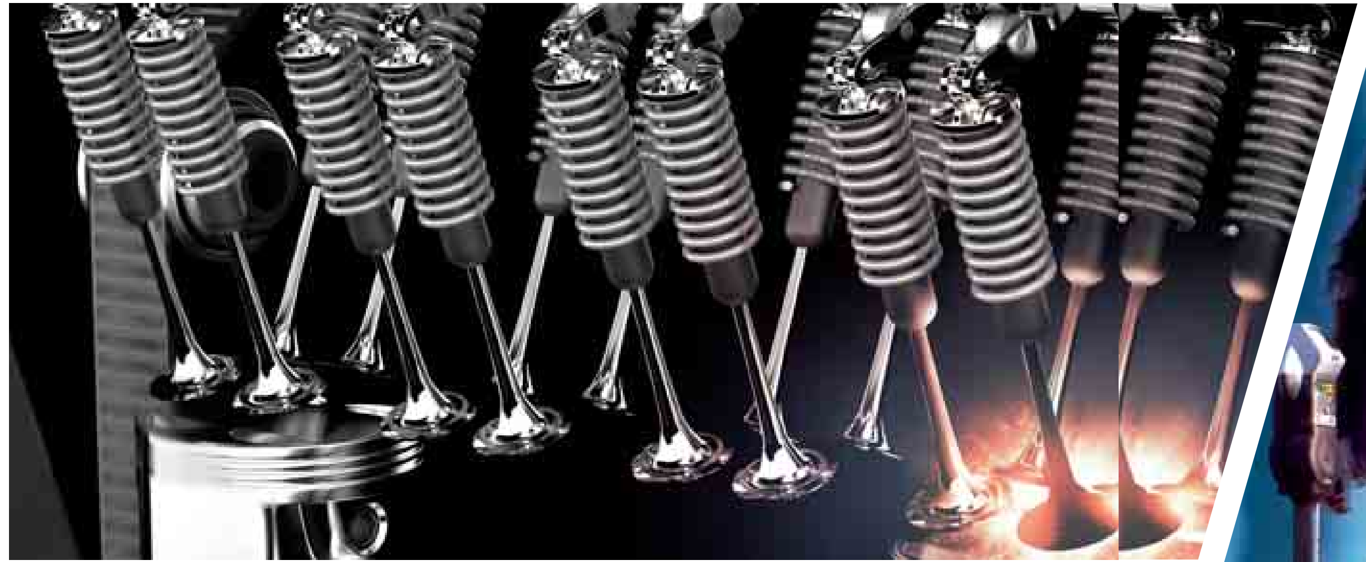

The SEAT Ibiza FR Black

Design is about more than the way you want to look. It's an attitude, a feeling and a relationship between you and the car you love to drive. Design is where form meets function, where aspiration becomes reality. The SEAT Ibiza FR Black gives you the chance to express your style with some stunning design features, presented in pure, unadulterated black.

The FR Black features the Black Pack, which gives the stylish contrast of black door mirrors, wheels and grille surround. Further features boast dark tinted rear windows, Alcantara upholstery and DAB digital radio.

This pack makes a big impression from every angle. On the side its gloss black door mirrors show a distinctive profile. Below, the black 17" Tagus Alloy wheels leave a big impression. And, at the front, a stunning grille frame in black is the definition of urban cool.

Model shown: Ibiza SC FR Black with midnight black metallic paint.

IBIZA FR BLACK

THOROUGHBRED FOR THE CITY

IBIZA CUPRA. The ultimate urbanite

Even at rest, the CUPRA turns heads, its unique arrow design drawing your eyes over the dynamic, defined panels that add balance and poise.

17" alloy wheels, bi-xenon headlights with Adaptive Front-Lighting System, front daytime running lights and rear LED taillights complete the picture.

And, of course, what lies beneath stirs the emotions too. The twin charged (turbocharger and supercharger) 1.4 TSI 180 PS engine coupled to a unique paddle-driven direct-shift gearbox performs extraordinarily and moves you effortlessly from 0-62mph in 6.9 seconds. Its 'best in class' chassis agility allows you to handle the tightest of city corners like straights.

In the interior, the SEAT Portable System Live* puts you in control with a complete touch-screen satellite navigation with voice recognition, trip computer display, plus Radio/CD/MP3 and Bluetooth® connectivity. The new platform includes more functions for your comfort: online local search destinations, fixed and mobile radars detection, traffic information in real time and weather forecast.

The IBIZA CUPRA. Never has a car been more at home in the city.

Model shown: Ibiza SC CUPRA with optional front and rear parking sensors, winter pack, 17" Barcino Black allow wheels with red brake callipers and Nevada White metallic paint.

*Includes one month free Live Services. Lifetime service available for purchase at Garmin Fresh shop. To find out more please contact your Dealer.

GOOD CLEAN FUN

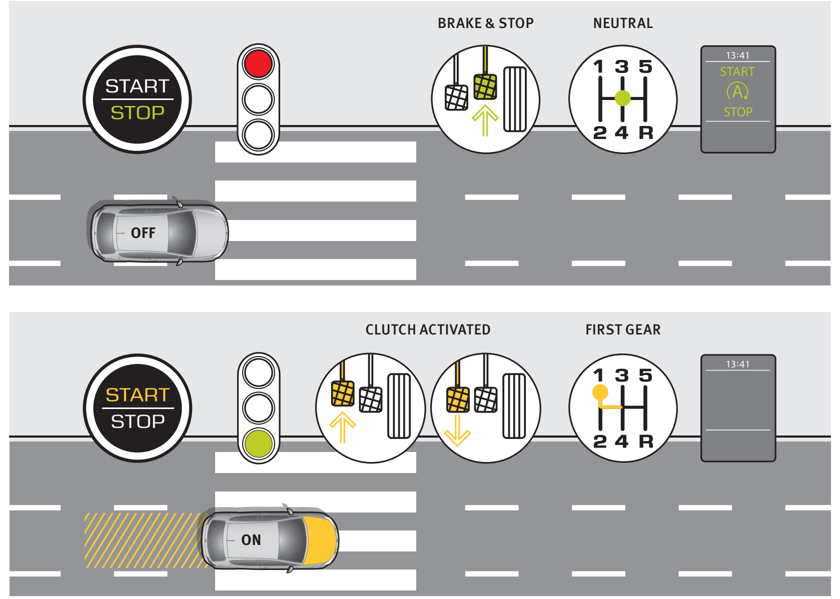

Excitement and efficiency perfectly in tune

Not only is the Ibiza a great entertainer, it's also a responsible one. This is all ensured by a range of powerful yet clean engines that include up to a 105PS diesel and 180PS petrol engine, all emitting less than 140 g/km of CO_2. Engines that perfectly combine excitement with efficiency, so you can love the road and love the planet, both at the same time. Environmental impact is further reduced by advanced features like Start/Stop and Energy Recovery System, as well as our recognised ultra green Ecomotive version that has always been responsible but fun. And it's not often that those two words occur in the same sentence.

Our top-of-the range Ibiza FR comes with new Active Cylinder Technology (ACT), which reduces fuel consumption by shutting down two cylinders in your engine when gently accelerating or coasting. Of course, when it's time to get back up to speed, all four cylinders are re-engaged in an instant, resulting in a dramatic reduction in fuel consumption.

Combined fuel consumption: 47.9 - 80.7 mpg. Combined CO_2 emissions: 139 - 92 g/km.
Model shown: Ibiza 5dr SE with optional Cartago 16" alloy wheels, bi-xenon headlights and Lima Green metallic paint.

ECOMOTIVE

START/STOP SYSTEM.
This system allows you to save fuel and cut down on CO_2 emissions.
Start/Stop System activates when you are in a neutral gear position. The engine turns off completely and remains stopped until you put your foot on the clutch.
To be on the move again, you only need to step on the clutch, shift into first gear and the engine will start automatically.

LUXURY VS. TECHNOLOGY

There's no competition, the Ibiza has it all

REAR VIEW CAMERA FOR PARKING.
When you need to keep a close eye on what's happening behind you, turn on the Rear-View Camera for a perfect parking experience. Does not include rear parking sensors. Optional on FR & CUPRA.

SEAT PORTABLE SYSTEM LIVE[1].
SEAT Portable System Live is a touch-screen multi-media device with Navigation and Bluetooth® connectivity for online search. Now includes more functions: SEAT CALL, Online local destination search, fixed and mobile radar detection, traffic information in real time and weather forecast. Optional on S A/C & SE. Standard on Toca Trim and above.

[1] Includes one month free Live Services. Lifetime service available for purchase at Garmin Fresh shop. To find out more please contact your Dealer.

ECO TRAINER.
The SEAT Portable System now incorporates a new function called Eco Trainer, which allows you to monitor and adjust your driving behaviour in terms of impact on the environment and fuel consumption. Choose different challenges on the training function and scroll through tips to find a more fuel-efficient driving style. Once you've finished your drive, use Eco Trainer to check your consumption statistics, save trips and compare the journeys you've made.

BI-XENON HEADLIGHTS WITH LED DAYTIME RUNNING LIGHTS.
Not just a pretty face. As well as the sparkling eyes of the Ibiza, the bi-xenon headlights are pin sharp, efficient and highly directional. Now everything is illuminated. Optional on SE & FR. Standard on CUPRA.

SAFETY FIRST

Well, where else would it be?

There's more to the Ibiza than just stunning good looks.

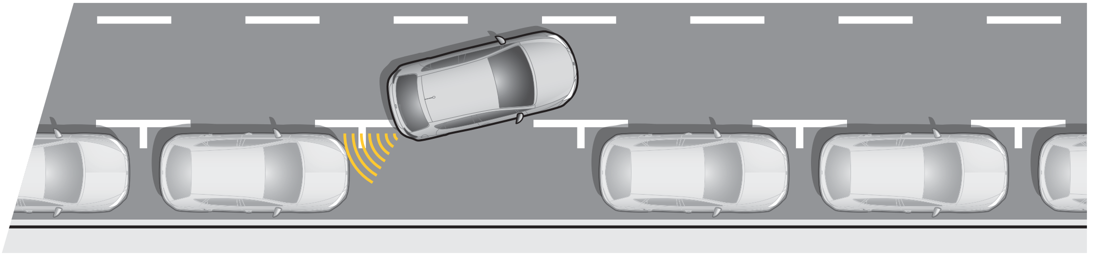

A maximum 5-star Euro NCAP* safety rating and the most advanced safety features proves it's one of the safest cars in its class. Head and chest airbags for driver and passenger, tyre pressure monitoring and Hill Hold control, are all included.

There is even a feature that will hopefully make sure none of the above are used at all: Electronic Stability Control (ESC) with XDS.

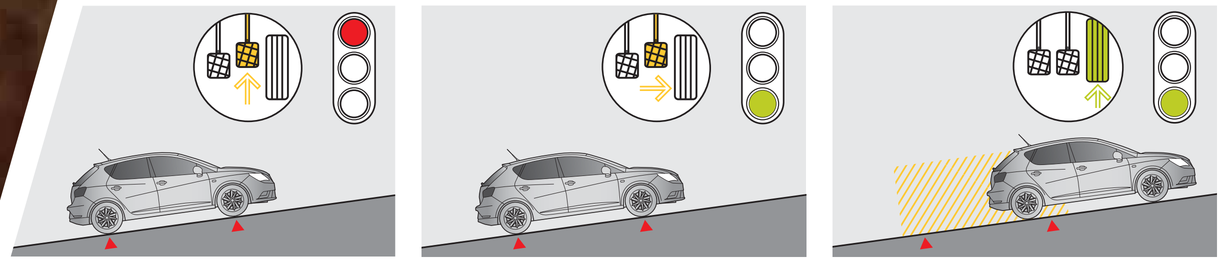

This system monitors information from the steering wheel, tyres, brakes and accelerator, and makes adjustments to keep you on the right track.

*For detailed information go to www.euroncap.com

REAR PARKING SENSORS.
Rear mounted proximity sensors make parking a breeze, warning you if you get too close when reversing. It's good to know someone's got your back. Optional on SE, FR & CUPRA.

HILL HOLD CONTROL.
The only way is up, thanks to Hill Hold Control. The system prevents your car from rolling back during hill starts by applying an automatic two second delay in releasing the brakes. Standard on all models.

AIRBAGS.
It's great to be on the road, surrounded by friends.
And it's even better when you're all surrounded by safety.
The SEAT Ibiza has front airbags as standard, as well as combined head and chest airbags.

GET YOUR KIT ON

Which Ibiza will you take home?

S A/C

- / 15" steel wheels with ‘Mamba’ covers
- / Emergency tyre repair kit
- / Black roof rails (Ibiza ST only)

Fuel consumption and CO_2 figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the SEAT website at www.seat.co.uk/fuelandco2 and at www.vca.gov.uk

* FR bumpers lead to different dimensions.
[1] The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS by 1.0139.
[2] Where law permits.
[3] Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated within this standard.

NOW THE FINE-TUNING

Harmonise with your Ibiza

You'll get along even better with your Ibiza when you add those little extra touches that make you feel at one with your car. Communicate, show off your sense of style, define your individuality. All Ibiza accessories are fully tested to meet SEAT's high quality standards, most come with a two-year warranty (three years if fitted before vehicle registration) and they can all be fitted by SEAT-trained technicians if you order at the same time as you order your new Ibiza. For the complete range of Ibiza accessories, go to **seat.co.uk/accessories** and download the brochure.

'Click+Go' is the quick, simple way to order our most popular SEAT accessories online or at your SEAT dealer. Where you see the click+go symbol, the 'fitted' price is all you pay. So you know what you're paying up front, with no hidden extras! With easy steps to follow it really is straightforward to order accessories and book a convenient time to have them fitted at your local dealer. You'll receive an email confirming your booking and then a reminder a few days before your appointment. It's as easy as that – and, of course, you can 'Click+Go' any time, 24/7. Just visit **seat.co.uk/accessories**

Please note not all accessories are available for all models.

TAILGATE SPOILER.

FRONT AND REAR MUDFLAPS.

ROOF BARS.
Can take up to 50kg.
Anti-theft lock and key.

CARGO SEPARATION GRILLE.

SIDE MIRROR COVERS.
Available in chrome and aluminium.

REAR PARKING SENSORS.

FRONT CENTRAL ARMREST.
Available in black and black/grey.

AUTOGLYM LIFESHINE.
Applied by trained staff at your SEAT dealer.

YOU LOVE YOUR SEAT. SO DO WE

Your SEAT is special to you, and deserves special treatment when it's time for a service or repair. So put it in the hands of people who know and care about your car as much as you do: your SEAT Dealer.

We promise that your service or repair will employ all of the following (and plenty more besides), to give your car the care it deserves.

SEAT Technicians with specialist training, using the latest SEAT technology.
SEAT-approved parts will be fitted, complete with two-year warranty.
A comprehensive check of SEAT's database for the latest vehicle safety, software and product enhancements.
Free wash and vacuum with every service.
Your approval prior to any additional work we believe needs to be carried out.
Easy drop-off and collection, including loan cars, collection and delivery from your home address, or a courtesy lift.
Online booking. Choose a time and place to suit you.
A SEAT stamp in your service book. The reassurance that only comes with the real thing.

IT'S FIXED

Fixed-price servicing and maintenance for SEAT cars 1-15 years

At SEAT we want to make it easy for you to know what your servicing costs will be up front so that you can keep a tight rein on your budget. That's why we have transparent fixed prices on a whole range of services and maintenance jobs for SEAT cars. Book a fixed-price service or maintenance job online by following six simple steps. Visit **seat.co.uk/service** to book and for further information.

Book your service online and get
1st YEAR: **FREE 1 LITRE CASTROL EDGE PROFESSIONAL OIL TOP-UP KIT** WORTH £18.50
2-15 YEARS: **FREE SEAT EUROPEAN ROADSIDE ASSISTANCE** WORTH £245

LOCAL PRICE **PROMISE**

We are so confident about our prices that if you have any 'It's Fixed' job done with us and then find within seven days and five miles that you could have had it done cheaper, we will refund the difference.

SPREAD THE COST

SERVICE PLANS
A three-year fixed-price service plan is available for any new SEAT for 24 monthly payments of £19.99 per month. Visit **seat.co.uk/serviceplans** for more information.

EXTENDED WARRANTY

Extend your peace of mind

It's reassuring to know you're covered for the cost of unexpected car repairs. And you can enjoy this feeling for up to two years longer with a SEAT Extended Warranty.

When you buy a new SEAT from a SEAT dealer, your new car is covered by a three-year/60,000 miles manufacturer warranty. And if you take out a SEAT Extended Warranty before your new car is registered, you'll get exactly the same level of cover for up to five years, at extremely competitive prices.

You can choose a SEAT Extended Warranty to last until the end of the 4th year/up to 75,000 miles or until the end of the 5th year/up to 90,000 miles, whichever is soonest. Plus it's fully transferable to the new owner (and subsequent owners) should you sell your car – enhancing the resale value of the car.

For further information and full terms and conditions, go to **seat.co.uk/extendedwarrantyterms**

ENSURANCE

Three years FREE cover for new and used SEATs

/ One-stop SEAT accident management
/ Dedicated Incident Manager
/ Guarantee that repairs are undertaken by participating SEAT-approved repairers
/ Online claim notification and repair tracking
/ Guarantee that only genuine SEAT parts and paints are used
/ Legal expenses cover
/ Courtesy car where applicable

Ensurance works alongside your main motor insurance policy no matter who it's from, giving you and your car additional protection.

For further information and to activate SEAT Ensurance, go to **seat-ensurance.co.uk**. After activation, you'll receive a confirmation email and Cover Booklet PDF with full terms and conditions.

WOW, NOW.

With **Solutions** from SEAT Finance the buzz of owning your dream SEAT is closer than you think.

Solutions is a flexible finance plan that's built around you. From your deposit and monthly repayments to what you decide to do with the car at the end of the agreement, you can choose what's right for you and your budget.

A proportion of the car's value is left to the end, which acts as a guaranteed minimum future value, taking away the worry of depreciation and allowing you to get a higher specification car or just simply reduce your monthly repayments.

And at the end of the agreement, you'll have three options. You can part-exchange your SEAT for one that suits you better on a new Solutions agreement. To keep your SEAT, just pay the optional final payment and it's yours. Or if circumstances have changed, you have the option to hand the car back and walk away. Terms and conditions apply.

An offer of finance is based on certain terms and conditions. Subject to status. Indemnities may be required. Available to people over 18 in the UK only. SEAT Finance.

A great finance package, designed to impress. To see our latest Solutions offers, scan in the QR code or visit your local SEAT Dealer.

- SEAT EXTENDED WARRANTY

THE SEAT WARRANTY

THREE-YEAR WARRANTY.
All new SEATs registered in the UK come with a three year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 (whichever is soonest) Dealer Warranty. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised SEAT dealer or repairer, however, this additional warranty must be purchased before the mileage reaches 60,000. Cover is subject to the car being serviced and maintained according to the manufacturer's technical guidelines. Full details of the three-year warranty are available from your SEAT dealer or repairer.

SEAT EXTENDED WARRANTY.
If you take out a SEAT Extended Warranty before your new car is registered, you'll get exactly the same level of cover, as the three year warranty, but for up to five years. You can choose a SEAT Extended Warranty to last until the end of the 4th year/up to 75,000 miles or until the end of the 5th year/up to 90,000 miles, whichever is soonest. SEAT Extended Warranty products are only available at the time of ordering your new SEAT.

THREE-YEAR PAINT WARRANTY.
The paintwork of the Ibiza is covered against manufacturing defects for a period of three years. Naturally, the Ibiza must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

TWELVE-YEAR BODY PROTECTION WARRANTY.
The internal body sections and panels of the Ibiza is covered against rusting through from the inside for a period of twelve years. Naturally, the Ibiza must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

SEAT PARTS WARRANTY.
SEAT parts and accessories supplied after new vehicle delivery are covered by our 24 months parts warranty.

SEAT ACCESSORIES.
Every accessory is designed specifically for SEAT and is fully tested to our high quality standards. All accessories unless otherwise stated come with a two year warranty, extended to three years when purchased and fitted prior to delivery of a brand new vehicle, and what's more, they can be fitted by SEAT approved technicians. Where you see the 'Click & go' icon, the price you see is what you'll pay including fitting, upfront and with no hidden extras! You can order at your SEAT dealer or online at seat.co.uk/accessories.

SEAT ENSURANCE.
Ensurance works alongside your existing your main motor insurance policy no matter who it's from, giving you three years FREE cover on all new and used SEATs. Activate your policy at seat-ensurance.co.uk and get one-stop accident management in the event of an accident or theft. After activation, you'll receive a confirmation email and Cover Booklet PDF with full terms and conditions.

FIXED-PRICE SERVICING AND MAINTENANCE FOR SEAT CARS 1-15 YEARS.
Fixed prices on a whole range of services and maintenance jobs for SEAT cars are now available at participating SEAT dealers. Visit seat.co.uk/serviceoffers for further information and to book online.

SPECIFICATIONS.
Specifications for the Ibiza refer to Model Year 2015. While SEAT makes every effort to make sure that specifications are accurate at time of going to press **(February '15)**, you should always check details with your SEAT dealer as there may have been changes in view of SEAT's policy of continuous product improvement. The right is reserved to change specification and colour at any time. The information in this brochure can therefore be given as guidance only.

SEAT ASSISTANCE (INCLUDING EUROPEAN COVER).
Any new SEAT purchased and registered in the UK from an authorised SEAT dealer, is covered free by SEAT Assistance (including European cover) for roadside repairs or recovery to an authorised repairer for a term of two years. Your member of the SEAT authorised network will ensure that all servicing and repairs are carried out in accordance with the manufacturer's instructions. Terms and conditions apply.

SEAT FINANCE.
SEAT Finance specialises in providing funding solutions for SEAT drivers. Whether your SEAT is for private or business use, you can choose from a range of funding options.

Here is our full range of finance products.
/ Solutions – a personal contract plan
/ Hire purchase
/ Finance lease
/ Lease purchase
/ Contract hire

With all of our finance products you can choose one of our fixed-cost maintenance plans designed to help you budget accurately. No matter what finance product you choose, your local SEAT dealer will be able to provide you with a personalised quote that could meet your budget and vehicle needs. SEAT Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

TEST-DRIVE A SEAT.
To arrange a test drive at your nearest dealer, or for any questions you may have about SEAT, visit our website at seat.co.uk or call us on FREEPHONE 0500 22 22 22.

FUEL CONSUMPTION INFORMATION.
The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The individual vehicles have not been tested and there are inevitable differences between individual examples of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driving style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.

VEHICLE EXCISE DUTY AND CO_2 EMISSIONS.
All vehicles first registered on or after 1st March 2001 are subject to a form of Vehicle Excise Duty (Road Fund Licence) based on the type of fuel the vehicle uses and its carbon dioxide (CO_2) emission level, measured in grammes per kilometre (g/km).

OPTIONAL EQUIPMENT.
Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. Any vehicle ordered with optional equipment (other than metallic paint) will be subject to a 12 week minimum delivery period.

SEAT BUSINESS SALES.
SEAT Business Sales is committed to meeting all your fleet requirements and driver needs. For Fleet & Small Businesses please call our Fleet Business Centre directly to speak to our business advisors on 0800 096 2328 or email us at businesscentre@seatfleet.co.uk. We are Spanish and German. We are passionate perfectionists. We are emotional technologists. Everything we know, is everything you feel. We give design a purpose. We bring technology to life. We call it TECHNOLOGY TO ENJOY. We are SEAT.

SEAT

TECHNOLOGY TO ENJOY

SEAT is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. Some illustrations in this brochure may depict left-hand drive models. Consequently, controls and some items of equipment may differ or not appear on UK models. The information in this brochure can therefore be given as guidance only. While SEAT makes every effort to ensure that specifications are accurate at the time of publication, you should always check with your authorised SEAT dealership for the latest information. Due to limitations of the printing process the colours reproduced in this brochure may vary slightly from the actual paint colour and material. These vehicles and all their parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality. SEAT UK has made provision for the correct disposal and recycling* of all SEAT Vehicles when they are delivered by the customer to its national network of Environment Agency authorised treatment facilities. This service is offered at no cost to the last holder and applies to SEAT vehicles of any age which are substantially complete. The service is provided by Cartakeback.com and to find your nearest facility contact 0845 257 32 33 or browse to www.cartakeback.com.

*Since 2006 all vehicles returned to SEAT were certified by UK Government to be recycled to 85%. This brochure has been produced from Hello Silk paper which is Forest Stewardship Council certified.
